

APPLICANT ASSIGNMENT SALES REPRESENTATIVE

INDUSTRY OVERVIEW

Total Quality Logistics (TQL), is the second largest freight brokerage firm in the nation. We create greater supply chain efficiencies for our customers by combining industry leading technology and unmatched customer service. Customers and carriers turn to us daily to solve their transportation needs with competitive pricing, continuous communication, and a commitment to do it right every time. TQL is a third-party logistics company that connects customers with shipping needs with carriers that have the available capacity and service offerings. We move more than 3 million loads across the nation annually through our broad portfolio of logistics services and our network of more than 160,000 carriers. Logistics is a recession-proof \$10 trillion industry with unlimited growth potential.

ASSIGNMENT

Think of a finished product. List as many components as you can think of that have been through the supply chain process at some point and break down the potential customer base below.

YOUR PRODUCT:

YOUR COMPONENTS:

POTENTIAL CUSTOMERS:
